DECLARATION UNDER 37 CFR 1.131

Sir:

I, Uri DINNAR of 7 Soroka Street, Haifa, Israel, declare as follows:

1. I am a joint inventor of the invention disclosed and claimed in the above-identified application;

2. I supervised the Research Thesis titled "Design an Methodology of ISFET (Ion Sensitive Field Effect Transistor) Microsystems for Bio-Telemetry" authored and submitted by Arkady Morgenshtein. Arkady Morgenshtein, Prof. Yael Nemirovsky and me jointly contributed to the inventive concepts presented in the Thesis. Arkady Morgenshtein is named as an author of the Thesis as is customary for Master students in their Research Thesis; and

3. I declare that all statements made herein of our knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements are made with the knowledge that willfully false statements are punishable by fine or imprisonment under 18 U.S.C. Section 1001 and that any such statement may jeopardize the validity of the subject application or any patent issued thereon.

Uri Dinnar
